

Saving Children from Abuse and Exploitation

She Is Safe serves around the world bringing those who are abused and trafficked to safety and equipping them to build new lives. We also work to prevent abuses in the first place.

In our **Abuse Prevention and Recourse Training for At-risk Children**, we bring Ten Tips to Safety, a hotline for help, underthings for girls and school supplies to about 50,000 school children overseas each year. Boys and girls learn to treat each person as a sacred gift. Children practice sharing safety tips with each other in preparation for talking with their friends and parents.

PANTALOONS, PROTECTIONS AND PENCIL POUCHES

Each part of this program is essential to inform and protect children. It is a simple fact of life for most girls in the developing world that ZERO protection is the norm. But thankfully, there is something you can do!

We are able to give pantaloons to the girls overseas as part of Abuse Prevention and Recourse training. Children are thrilled with these cute pull-on shorts with a ruffle at the knee - something locally made, pretty and protective that they will wear day and night.

The little ruffle is a waving flag to any would-be perpetrator that this child has been informed, that she has a hotline and trusted adults in her circle to report any abuses.

HERE'S HOW YOU CAN HELP:

You can help provide pantaloons, protections and pencil pouches by mobilizing your friends, buying supplies from the list on the backside of this flyer, and packing them for She Is Safe co-workers to give to the children.

Will you help equip at-risk children?

How To Pack Your Pencil Pouches:

1. Purchase the items below:

- Clear 4x8 pencil pouch with a real zipper. The pouch must be clear for inspection and customs. (Since this may be the only pencil pouch this child receives, please make it a good one!)
- 4 wooden No. 2 pencils
- 4 ink pens - black or blue ink
- Pencil sharpener
- Safety scissors
- 6 inch ruler with centimeters
- Small sheet of gender neutral stickers
- Small notepad

Please include no other items.

2. Include a small donation for each pouch:

We suggest a donation of at least \$5/pouch for other costs of our children's outreach: shipping, underthings, transportation, and worker support.

3. Pack and deliver to She Is Safe:

Pencil pouches must be packed in **12x12x12** boxes to fit on a motorcycle.
